Dedication

We, the class of 1960, dedicate this annual to Mrs. Vella Stewart, one of our class sponsors, with deep gratitude and appreciation for her untiring efforts in behalf of our education and the personal welfare to each member of our class.

To us she is more than a cheery voice behind a desk. She is the silent voice behind all our efforts; our class work, our activities, our senior trip, and our graduation. For this through all our years at Cyril High School, — we thank her.

Seniors

The last year for the seniors has been a busy one. The most important project for the year was the sponsoring of the school annual. To this, the seniors have given much of their often, scarce, time. They hope that they have preserved some of the school memories for you to enjoy.

The seniors have also worked tirelessly to raise money for their senior trip. This is one of the highlights of the senior year, and this year's seniors hope to visit New Orleans.

The seniors of 1960 would like to express their gratitude to the faculty and teachers at Cyril High for the devotion and concern they have shown us during the past years.
